

Non-Cash Charitable Contributions Worksheet

Name: _____
 Phone: _____

Tax Year: _____

The following is a guideline for valuation of non-cash charitable contributions. When valuing items, take into consideration the condition of the times. If the value of the donated items is \$250 or more to one charity in one day, you are required to obtain a written receipt from the charity. The receipt must contain: Name and address of the charity, date of donation, description of the item(s) donated, and if any goods or services were provided to you in return for the donation. The receipt must be signed by the charity and must be presented at the time of filing your return. With the exception of publicly traded securities, donations over \$5,000 require a written appraisal. Donations of vehicles MUST have organization's 1098C at time of filing.
